Examiner Nasser:

Please find below the major topics for discussion I would like to cover in our in-person interview, scheduled for Wednesday, October 22 at 2 PM. Note myself, an attorney of record, and Rachel Bentov, a representative of the assignee, will attend.

Regarding the objections to the drawings in the Office Action at page 2, Applicants' representatives will argue that the drawings are acceptable under 37 CFR 1.83.

Regarding the 35 U.S.C. § 112 rejections in Office Action at page 2, Applicants propose to cancel claims 52, 59, 61, and 62

Regarding the 35 U.S.C. § 112 rejections in the Office Action at page 3, regarding claim 38, Applicants' representatives propose to amend claim 38 to correct typographical errors.

Applicants' representatives propose the following draft amendment to claim 1. Depending on the results of the interview discussion, Applicant may further amend other claims; however, for the sake of simplicity, Applicant will first discuss the amendments to claim 1. Applicant notes that the proposed amendment is a draft amendment only, and does not form the basis for prosecution history estoppel.
